GCSE J320 ECONOMICS

Unit A592: How the Economy Works

Specimen Paper

Candidates answer on the question paper.

Additional materials: Resource Booklet Time: 1 hour

Candidate Forename	Candidate Surname	
Centre	Candida	ate
Number	Number	r

INSTRUCTIONS TO CANDIDATES

- Write your name in capital letters, your Centre Number and Candidate Number in the boxes above.
- Use black ink. Pencil may be used for graphs and diagrams only.
- Read each question carefully and make sure you know what you have to do before starting your answer.
- Answer all the questions.
- Do not write in the bar codes.
- Do not write outside the box bordering each page.
- Write your answer to each question in the space provided.

INFORMATION FOR CANDIDATES

- The number of marks for each question is given in brackets [] at the end of each question or part question.
- The total number of marks for this paper is 60.

Unit A592: How the Economy Works

Specimen Mark Scheme

The maximum mark for this paper is [60].

Question Number	Answer	Max Mark
1	The Peugeot car plant at Coventry in the West Midlands closed in 2007. This followed the closure of both the MG Rover and Jaguar car factories, also in the West Midlands.	
1(a)	Circle the two types of unemployment which would be caused by the closure of these car factories.	
	One mark for each of two correct identifications	
	Regional, Structural.	[2]
1(b)(i)	Explain what is meant by unemployment.	
	Up to two marks	
	2 marks for an accurate explanation, e.g. those able and willing to work are unable to find employment.	
	1 mark for some understanding shown, e.g. people do not have jobs.	[2]
1(b)(ii)	Explain one method of measuring unemployment.	
	Up to two marks	
	2 marks for an accurate explanation, e.g. those registering as unemployed by claiming benefits or the ILO count taken from a survey.	
	1 mark for a correct identification some understanding shown, e.g. the government does a survey.	[2]
1(c)	Would the closure of these car factories lead to problems for the West Midlands community? Give reasons for your answer.	
	Level 2	
	4-6 marks	
	Candidate analyses (4/5 marks) whether or not the closure of these car factories will lead to problems for the West Midlands communities.	
	Candidate evaluates (5/6 marks) whether or not the closure of these car factories will lead to problems for the West Midlands communities.	
	Level 1	
	1-3 marks	
	Up to three costs (or benefits) identified or one or more problems (benefits) explained.	

Section A		
Question Number	Answer	Max Mark
1(0)	Indicative Content	
1(c) Cont'd	Candidate reasons why closure would lead to problems, which could	
Join a	include:	
	High unemployment and knock-on / multiplier effects on the region, local businesses will lose trade, some might close. Reward references to the supply chain (component firms). House prices could fall. Award marks for any possible benefits, e.g. reduction in external costs.	
		[6]
1(d)(i)	State two policies which the government could use to reduce unemployment	,
	One mark for each of two correct identifications.	
	2 policies from: fiscal policy/budget deficit, lower interest rates, provision of training schemes, reducing state benefits.	[2]
1(d)(ii)	Discuss how successful these policies might be in reducing unemployment.	
	Level 3	
	4-6 marks	
	Candidate analyses (4/5 marks) how successful these policies have might have been in reducing unemployment.	
	Candidate draws conclusions (5/6 marks) as to how successful these policies have might have been in reducing unemployment.	
	Level 2	
	1-3 marks	
	Candidate demonstrates knowledge of these policies.	
	If the candidate only demonstrates the required skill in relation to one of the two policies, then only award a mark in the lower part of the band.	
	Indicative Content	
	One mark for explanation plus marks for evaluation, so candidate could be awarded more evaluation marks for one of the methods than the other.	
	E.g. fiscal policy: The government could budget for a deficit [1]. People will spend their extra money [1] so extra workers will be needed to produce extra goods [1]. However, people may buy more imports instead [1].	
	E.g. Training schemes: will provide workers with new skills [1]. Workers are more mobile [1] and can get jobs in expanding sectors [1], but the workers may still be in the wrong place [1].	[6]
	Section A Total	[20]
		'1

Section B		
Question Number	Answer	Max Mark
2	Fig.2. shows the percentage of the price of a packet of cigarettes which is made up of taxation.	
2(a)	Circle the two taxes which the government puts on cigarettes. One mark for each of two correct identifications.	[0]
	Excise duties and VAT.	[2]
2(b)	Explain, with examples, the difference between a direct tax and an indirect tax.	
	One mark for each of two correct explanations, plus a further one mark for each of two correct examples.	•
	A direct tax is a tax on income or wealth [1] e.g. income tax [1].	
	An indirect tax is a tax on spending/expenditure/on goods and services [1] e.g. VAT [1].	[4]
2(c)	The government planned to raise over £550 billion in taxes in 2007/08. Is the government right to raise such a large sum from taxes? Give reasons for your answer.	
	Level 3	
	5-6 marks	
	Candidate evaluates/analyses whether or not the government is right to raise such a large sum from taxes.	
	In Level 3 the candidate who demonstrates either excellent analysis or weaker analysis and some evaluation can obtain full marks.	
	Laural O	
	Level 2 3-4 marks	
	Candidate demonstrates an understanding as to why the government needs to raise such large amounts of revenue.	
	Level 1	
	1-2 marks	
	Candidate demonstrates knowledge of why taxes need to be raised.	
	Indicative content	
	Main areas of government spending such as social protection, health and education.	
	Candidates could give arguments for state provision of health or education or for a system of social protection. On the other hand,	
	candidates may argue against high taxes, e.g. disincentive effects of taxes or of social security benefits.	[6]

Question Number Answer Answer Answer Answer Answer Answer Is it fair that the government puts such a high tax on cigarettes? Give reasons for your answer. Level 4 7-8 marks Candidate evaluates whether or not it is fair that the government puts such high taxes on cigarettes. Complex ideas have been expressed clearly and fluently using a style of writing appropriate to the subject matter. There may be a few, if any, errors of spelling, punctuation and grammar. Level 3 5-6 marks Candidates analyses the reasons why the government does put such high taxes on cigarettes. Relatively straightforward ideas have been expressed with some clarity and fluency. There will be some errors of spelling, punctuation and grammar, but these are unlikely to be intrusive or obscure meaning. Level 2 3-4 marks Candidates demonstrates understanding as to why the government puts such high taxes on cigarettes. Some simple ideas have been expressed in an appropriate context. There are likely to be some errors of spelling, punctuation and grammar of which some may be noticeable and intrusive. Level 1 1-2 marks Candidates demonstrates knowledge of why the government puts such high taxes on cigarettes. May be in the form of a list. Some simple ideas have been expressed. There will be some errors of spelling, punctuation and grammar will be noticeable and intrusive. Indicative Content Arguments for: the revenue argument especially as there is an inelastic demand; the demerit good argument; costs imposed by smokers on the NHS; benefits of other taxes being lower. Arguments against: the equity argument — it is a regressive tax; effects on employment in the industry; the incentive to smuggle leading to less government revenue.	Section B

Question Number	Answer	Max Mark
3	Fig.3. shows the rate of inflation in the UK economy between October 2005 and October 2007, as measured by the Consumer Price Index.	
3(a)	Using fig. 3. state	
3(a)(i)	What was the highest rate of inflation for the period?	
	3.1%	[1]
3(a)(ii)	What was the lowest rate of inflation for the period? 1.8%	[1]
3(b)(i)	Explain what is meant by inflation.	
	Up to two marks	
	2 marks for accurate explanation, e.g. a rise in the general price level over time.	
	1 mark for some understanding e.g. rising prices.	[2]
3(b)(ii)	Explain what is meant by rate of interest.	
	2 marks for accurate explanation, e.g. the price of money or the reward for saving and the cost of borrowing.	
	1 mark for some understanding e.g. through an example.	[2]
3(c)	Explain how a rise in the rate of interest may help to control the future rate of inflation.	
	Level 3	
	5-6 marks	
	Candidate analyses how a rise in the rate of interest may help to control the future rate of inflation	
	Level 2	
	3 – 4 marks	
	Candidate demonstrates an understanding of how a rise in the rate of interest may help to control the future rate of inflation.	
	Level 1	
	1 -2 marks	
	Candidate demonstrates knowledge of how a rise in the rate of interest may help to control the future rate of inflation.	

Answer Max Mark	Section C		
Cont'd Use a flexible mark scheme so there are different routes to 6 marks. Higher rates reduce demand [1] and so there is less pressure on prices [1]. Saving is more rewarding [1] so people save more and spend less [1]; borrowing is more expensive [1] so people buy less on credit [1]; mortgage interest rises [1] so mortgage holders have less to spend [1]; The cost of investment rises [1] so businesses invest less [1]. [6] 3(d) Discuss the effects of a high rate of inflation on the economy. Level 4 7-8 marks Candidate evaluates the effects of a high rate of inflation on the economy. Complex ideas have been expressed clearly and fluently using a style of writing appropriate to the subject matter. There may be a few, if any, errors of spelling, punctuation and grammar. Level 3 5-6 marks Candidate analyses the effects of a high rate of inflation on the economy. Relatively straightforward ideas have been expressed with some clarity and fluency. There will be some errors of spelling, punctuation and grammar, but these are unlikely to be intrusive or obscure meaning. Level 2 3-4 marks Candidate demonstrates an understanding of the effects of a high rate of inflation on the economy. Some simple ideas have been expressed in an appropriate context. There are likely to be some errors of spelling, punctuation and grammar of which some may be noticeable and intrusive. Level 1 1-2 marks Candidate demonstrates knowledge of the effects of a high rate of inflation on the economy. May be in the form of a list. Some simple ideas have been expressed. There will be some errors of spelling, punctuation and grammar will be	·	Answer	
Cont'd Use a flexible mark scheme so there are different routes to 6 marks. Higher rates reduce demand [1] and so there is less pressure on prices [1]. Saving is more rewarding [1] so people save more and spend less [1]; borrowing is more expensive [1] so people buy less on credit [1]; mortgage interest rises [1] so mortgage holders have less to spend [1]; The cost of investment rises [1] so businesses invest less [1]. [6] 3(d) Discuss the effects of a high rate of inflation on the economy. Level 4 7-8 marks Candidate evaluates the effects of a high rate of inflation on the economy. Complex ideas have been expressed clearly and fluently using a style of writing appropriate to the subject matter. There may be a few, if any, errors of spelling, punctuation and grammar. Level 3 5-6 marks Candidate analyses the effects of a high rate of inflation on the economy. Relatively straightforward ideas have been expressed with some clarity and fluency. There will be some errors of spelling, punctuation and grammar, but these are unlikely to be intrusive or obscure meaning. Level 2 3-4 marks Candidate demonstrates an understanding of the effects of a high rate of inflation on the economy. Some simple ideas have been expressed in an appropriate context. There are likely to be some errors of spelling, punctuation and grammar of which some may be noticeable and intrusive. Level 1 1-2 marks Candidate demonstrates knowledge of the effects of a high rate of inflation on the economy. May be in the form of a list. Some simple ideas have been expressed. There will be some errors of spelling, punctuation and grammar will be	3(c)	Indicative Content
